

INTRODUCING VANE MATE CUTTER

**A pneumatic shop tool
that cuts and "tabs"
double wall vanes for
fast and secure assembly!**

Works with all brands of rail:
DUCTMATE - ELGEN - WARD - DURO-DYNE
HARPER - SUPERIOR - SHEET METAL CONNECTORS

- Cuts 10 vanes in 20 seconds or less
- Significant reduction in material handling
- Produces less waste vs chop or band saw
- "Tab" reduces assembly time by 30-50%
